## 50th Anniversary Reunion of 1963 Graduates

On 8 & 9 November 2013, the 1963 graduates of our School have held their 50th anniversary reunion. A lot of alumni at their year have come back from overseas to join the reunion. They had a most enjoyable and moving reunion, reconnecting with friends, reminiscing about the good old days in WYK, and meeting some of WYK's current administrator and students.

On the first day of their reunion, they had their dinner together at the American Club. On the second day of their reunion, they had campus tour. Our principal and vice principal also joined their reunion at campus. At night, they had gala dinner at Dynasty Club.

47 classmates attended the reunion along with 26 of their guests. Also joining them were Father Deignan, Father Chow, Father Yeung, Father Hurley, Father Baptista, Father Mallin (100 years old but still going strong), Principal Mr. Warren Chung, Vice Principal Mr. Stanislaus Keung, Past Principals Mr. Norman So and Dr. John Tan, retired teachers Mr. Yue Poon Leung, along with Sir Wong Chin Wah. The Chairman of WYKPSA also attended their gala dinner.

The 1963 graduates successfully raised HK250,000 as the Class of 1963 Fund that will be used to replace the computers in one of the labs in WYK.

They are already discussing potential plans for their 55<sup>th</sup> anniversary reunion and perhaps a “mini-53<sup>rd</sup> anniversary” reunion.

You may visit their website at <http://wyk1963reunion.com> to see more about their happiness and joy at this meaningful and memorable occasion.

### Student Members' Committee – Career Consultant Scheme

Greetings from WYKPSA Student Members' Committee!

We would like to bring your attention to the first highlight of the WYK Career Series: Career Consultant Scheme!

#### What is Career Consultant Scheme?

Career Consultant Scheme is a program specially designed for graduates' career development. It offers a fundamental networking platform to graduates from different generations. Young graduates participating in the scheme will be assigned an experienced alumnus (Career Consultant), who is working in leading position in enterprise. The Career Consultant would give advice on graduates' career prospects, job opportunities, interview tips and CV formatting. In the long run, graduates can extend their network with the assistance of our scheme.

#### Career Consultants' Background

Formed by a pool of experienced alumni, the Career Consultants come from a diverse background such as international banking, business consulting, finance, accounting, real estate, legal, medical, healthcare, engineering, architecture, media & communications, government, education & NGOs. They are in leading positions in enterprises.

#### How does the Scheme Run?

Both experienced alumni and young graduates are required to fill in an online application form. Student Members' Committee will match the applications according to their requirement and field.
