# STUDENT AMBASSADOR SCHEME

## Trip to Vancouver

Every year, the Past Students' Association will select a student ambassador which will be delegated with the task of visiting our overseas alumni chapters during summer vacation. This year, Wat Tsz Chun, Timothy from class 5W has been selected as the student ambassador and has visited the alumni chapter in Vancouver in July. The following is the report from Timothy:

After crossing the Pacific for more than eleven hours, Spencer (WYHK) and I finally landed safely on the territory of Canada. It was indeed a pleasant flight. Plus, it was my honor to meet the first officer, Dave, before leaving the cabin. Dave was so nice that he let me take

pictures in the cockpit. Besides, he explained the functions of each equipment. At last, we even took a selfie.

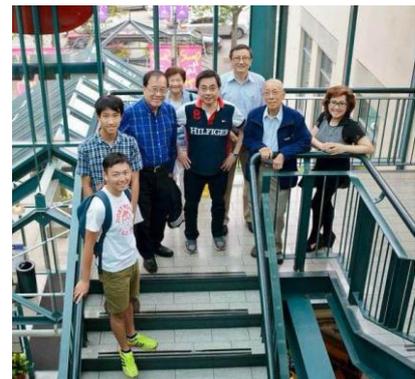

During the whole trip, Mr. Lawrence Chan (WYK'72), President of the Vancouver Chapter, acted as our host. Lawrence was extremely caring throughout the journey. For instance, he arranged a well-designed schedule for us. Apart from that, his wife Michelle has taught us a lot, especially about religious belief. Residing in Lawrence's apartment, I was assigned to stay in his daughter's bedroom (she was finishing her PhD in Boston at that time). Talking about the room, I was amazed by my first sight not only because of the enormous periodic table jigsaw puzzle hung on the wall, but also due to the ceiling covered with fluorescent star-shape stickers. Being a science student, the room had driven me to crazy.

There are several unforgettable events I would like to share. The first thing is definitely our one-day cycling tour

in Stanley Park. It is a thrilling experience for both of us since we were biking alone. After picking up our bicycle from the shop (which the shop owner is our alumnus), we were required to plan the route on our own. Furthermore, we were riding in a place where we were not familiar with, hence, we had the opportunity to communicate with local pedestrians and nurture our problem-solving strategies. At last, we succeeded to ride

from the park to an island called the Granville Island through the Burrard Bridge.

Spending more than a week on this harmonious domain, we returned to Hong Kong on 22 July. I would like to express my deepest gratitude to the Wah Yan College, Kowloon Past Students' Association for giving me such an opportunity to visit the Vancouver Chapter and learn from our seniors, this is the intrinsic bonding among Wahyanites. As what the old saying goes, sweet is the memory of distant friends. I will definitely remember what I have learnt and explored in Vancouver.

## Alumni News

### It Is A Girl!

Cheung Yin Cheong, Stanley 張彥昌(class of 1997), one of the vice-chairmen of PSA, had a baby girl born at HK Baptist Hospital on 18th July 2014.

**Congratulations!!**

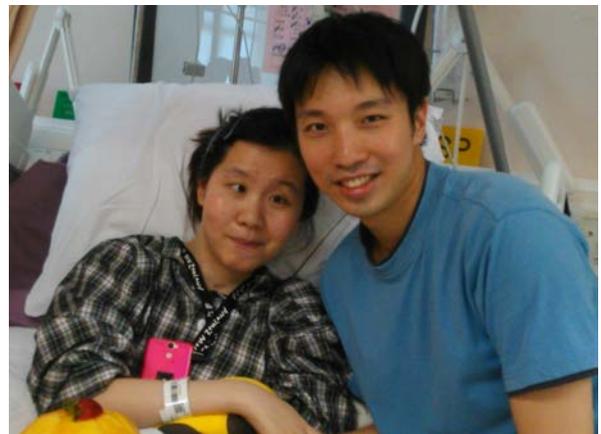

### An Accident Involving an Alumnus

Ho Chun To, Ronald, 何鎮濤 graduate of class 2002, and his wife Priscilla, were seriously injured in a serious car crash at the countryside of Christchurch in New Zealand while on their honeymoon in Sept 2013. They were trapped in the rented car and luckily saved in time by a farmer passing by. (The accident was reported in one of the local news <http://www.stuff.co.nz/national/9196591/Teen-frees-stricken-tourists>).

Ronald had a broken leg while his wife suffered more serious injuries, including acute traumatic brain injury and multiple fractures of the spine and the limb bones, She was admitted into the ICU of Christchurch Hospital. Multiple surgical procedures were performed by different surgical specialists - neurosurgeons, general surgeons orthopaedic surgeons and maxillo-facial surgeons. She was finally discharged from hospital in May 2014. Flying back from New Zealand in late June, she was admitted to Queen Mary Hospital and subsequently MacLehose Medical Rehabilitation Centre. She is now on a long course of slow recovery.

Deeply touched by all supports of sincerity, Ronald would like to express his thanks and gratitude to everyone involved in helping out, financially or spiritually. He also appreciates all medical advice and experience sharing during the difficult moments over the last few months.

**Get Well Soon!!**
