

(Update 2015-08-23)

The fun game is now over and life moves on.

I take this opportunity to thank each one of you for the wonderful dinner on Friday, August 14. The happy moments are recorded in the albums on our web site.

Today is 處暑 in the Chinese calendar, the beginning of what is called 爭秋奪暑 until autumn arrives on October 23. Take care.

Looking forward to seeing you again soon,

Anthony

(Update 2015-08-20)

The winning numbers for the last draw are 08/12/25/38/45/48 and the bonus number is 39.

We are in for Round 3.

Tickets #1 (25.45.48); #8 (8.12.25); #12 (8.45); #16 (12.45); #24 (25.45); #31 (45.48); #35 (38.48).

Among our 35 free tickets, we have 5 tickets with 2 winning numbers, i.e. we have 5 free tickets for the next draw on Saturday, August 22.

Furthermore, we have 2 tickets with 3 winning numbers, i.e. we have won \$20.00.

I propose that we invest our winnings of \$20.00 on 4 [Quick Pick MAX LOTTO] tickets for the Draw on Friday night, August 21. Each ticket has 3 lines of 7 numbers; that means we have 12 lines of 7 numbers. MAX LOTTO and LOTTO649 are 2 different games. For those who want to move to the advanced level, Max Lotto, do some research surfing the internet.

If I do not hear otherwise by noon tomorrow, I will get the tickets for the 2 games in the afternoon and then send out the scanned copies of the tickets before mid-night.
