Tuesday 2015 10 20 to Saturday 2015 10 24 Fujian Trip

This itinerary features travel by bus, train, airplane and subway in Shenzhen/HK; this gives a comprehensive experience of transport networks available in southern China. As some of you will not return to HK after the Fujian trip on Saturday 24 October, you may have large pieces of luggage with you. To make your trip more manageable, we plan to offer an option of having a van take you from your hotel in HK to the yet to be chosen hotel in Shenzhen on Monday 19 October and from there to 深圳北站 the next morning at an extra cost. **Please let me know how many of you need this arrangement.** Typically, a van can carry 3 couples (6 persons) as you need space for luggage and costs about HK\$900 per trip (I shall ask those more knowledgeable on this matter to offer more accurate information here).
