Selection of Student Ambassador

Every year, WYKPSA will select one of the outstanding students as student ambassador. Those outstanding students are elected by Form 6 (under old academic structure) / Secondary 5 (under new academic structure) students.

The student ambassador will be delegated with the task of visiting our alumni overseas during the summer vacation next year. The 5 outstanding students of the current academic year have been interviewed on 10 November 2012 and the results will be announced on the Speech Day on 16 November 2012.

As most of the alumni may also appreciate, one of the most prominent landmark at the Caritas Bazaar each year is the "Big Hammer" constructed by the students of our School. The "Big Hammer" this year has been constructed with entirely new aluminium materials, which are more durable. Some of the donations for constructing the "Big Hammer" were contributed by alumni.
