Parking Control Arrangement for Sunday Mass

In view of the traffic congestion caused by unauthorized parking, making it inconvenient to come to Mass, there will be parking control arrangement on Sunday morning. Starting from 10 November 2013, before 11:30 a.m. on Sunday, only vehicles bearing parking permits issued by the School or the Chapel are allowed to enter the premises of WYK.

The School fully understands that such problem is not caused by our alumni since everyone (whether alumni or not) can come to the School chapel to join the Mass on Sunday. Nevertheless, WYKPSA sincerely hopes that our alumni can understand the problem faced by our School.

WYKPSA will organize an Elementary Photography Workshop on 16 November 2013 (Saturday) from 2 pm – 4 pm at the Geography Room of our School.

The workshop is free of charge. For registration or enquiries, please send an email to wahyanpsa@gmail.com

For all participants, please bring along your camera to the workshop.
