

On behalf of the San Francisco chapter, We'd like to invite you to the conference (7/21-23).

It's a big social event attended by WYHK and WYK alumni from the past 60+ years. I expect over 100 of them will come. You can find some preliminary information at the website. The conference this year is co-hosted by the Ricci Institute for Chinese-Western Cultural History at the University of San Francisco. There will be scholars showing us the work at the Ricci Institute. It includes the collection of the late Fr. Albert Chan, SJ (1915-2005), from the Ming Dynasty. Fr. Chan was an alum of WYHK. Our conference theme is "Setting the world on fire: service as the fuel of Wahyanites' life journey". The keynote speaker is the COO of the Global Social Benefit Institute (GSBI) programs of the Miller Center for Social Entrepreneurship at the Santa Clara University. So both Jesuit Universities in the San Francisco Bay Area will participate in our conference. It will be a memorable event.

Please help us to spread the words to alumni in your chapter and purchase ticket on the Eventbrite link below.

Happy Lunar New Year,

Ambrose Leung

About the Wah Yan International conference (Reunion)

A year after the successful launching of the Student Ambassador Programme, WYHKPSA organised the 1st International Conference in 1988. Launched in Hong Kong, it was attended by over a hundred local and overseas alumni. It was resolved

that a Wah Yan International Conference (WYIC) would be held on a biennial basis.

WYIC has four objectives:

- To provide fellowship opportunities between local and overseas Wahyanites.
- To allow Wah Yan alumni all over the World to better understand the well being of each other.
- To keep alumni informed about both Wah Yan Colleges in Hong Kong and Kowloon.
- To explore possible improvements on our Global Link Networking.

Program overview:

San Francisco Bay Area Chapter has the honor to host the 15th Wah Yan International Conference/Reunion in July 2017. This 2-day conference will be held at University of San Francisco, a Jesuit University, where Wahyanites gather together to learn about the latest WYK and WYHK news from our two alma maters and the Jesuit Fathers, as well as updates from all other overseas Wah Yan alumni chapters. Beside the conference, there will be several spousal activities (e.g. gala dinner, San Francisco dinner cruise, Napa Valley wine tour, etc.) organized by the Chapter, which provide Wahyanites and their guests an opportunity to check out San Francisco Bay Area. For anyone who is/are interested in further exploring the West Coast, we are organizing a 6-day road tour beginning from Napa Valley and traveling all the way to Vancouver, Canada.

About University of San Francisco

[University of San Francisco](#) (USF) is a Jesuit Catholic university located in San Francisco, California, United States. The school's main campus is located on a 55-acre (22 ha) setting between the Golden Gate Bridge and Golden Gate Park. The main campus is nicknamed "The Hilltop", and part of the main campus is located on Lone Mountain, one of San Francisco's major hills. In addition, the university offers classes at four northern California branch campuses (Sacramento, San Jose, Santa Rosa, and Pleasanton), at a southern California branch campus, and at locations in downtown San Francisco, including the Folger Building at 101 Howard Street, and at the Presidio of San Francisco. Its close historical ties with the City and County of San Francisco are reflected in the University's traditional motto, Pro Urbe et Universitate (For the City and University). USF's Jesuit Catholic identity is rooted in the vision and work of St. Ignatius of Loyola, the founder of the Jesuit order.
