

The two Wah Yan Colleges have entered an agency agreement with the Canadian Jesuits International (CJI) for donors in Canada to make donation to the either of the two colleges through CJI with tax deduction applicable to Canada. We are grateful for the Jesuits in Canada, i.e., Fr. Robert Wong, S.J., to make this possible.

Please find from the attached the donation procedures for the respective Wah Yan Colleges. And the information of the CJI Administration Fees is also attached (currency is Canadian). But here is the information for your convenience:
