## Up Coming Event #1

### You and Your Family are invited to a Picnic at Presqu'ile Provincial Park. (Rain or Shine)

On Sunday, August 20, 2000, your Association has booked Shelter #1 in Presqu'ile Provincial Park. The Park offers 2 km of sandy beach, 20 km of hiking trails and picnic areas along the shoreline. It is one of the hottest summer water spots in Ontario. It is south of Brighton, 150 km east from Scarborough Town Centre, Toronto.

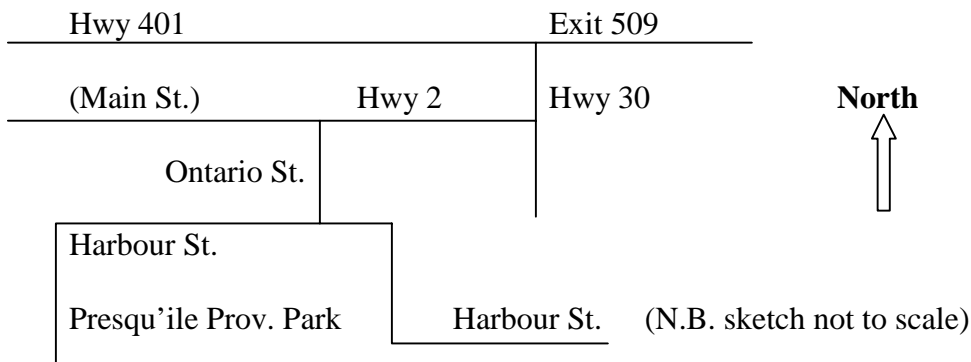

Kenneth Lo ('56) who has lived in Brighton for years enjoys the peaceful setting of the town among apple orchards at the entrance to the Park. For those who would like to travel to Brighton early to feel the English Sunday morning air, Masses are available at 9 am and 11 am at Holy Angles Catholic Church, 40 Centre St., 3<sup>rd</sup> street west of Hwy 30 on Main St. before Ontario St.

Good food, great fun and exciting games are the agenda of the day. Activities include 2 hiking trails, biking and roller skating, beach volley-ball, swimming and water sports, fishing, sun-bathing and mini-golf. Please bring your own bicycles and rollers.

It is free for paid up members and their immediate family, a token of appreciation for their support to the Association. However, there is a charge of \$8.50 per car at the entrance gate to the Park. Guests are, of course, most welcome, @ \$5.00 per person. We cordially invite members to respond by phone, fax or e-mail before August 12, 2000 to allow our picnic organizers, Dermot Chan and Peter Wong, enough time to prepare for the day.

We will be partying at SHELTER #1, 2 km's drive from the gate entrance.  
Hope to see you there from 10:30 am to early evening on Sunday, August 20, 2000.

Directions (from Toronto): Take 401 East after passing the Big Apple to Exit #509 to South;  
Follow Hwy 30 South to the town of BRIGHTON;  
Turn West at Hwy 2 and then South at ONTARIO Street;  
Follow signs to the entrance of the Park.

Many of the buildings have individual back lit signage and the entire block is illuminated by street lamps mounted on actual telephone poles."
