## The President Speaks

2009 will go on record as a productive year for our alumni association.

We managed to bring the alumni association to a higher profile through the sponsorship of the “Cradle of New Chinese Ink Painting” exhibition. It was a great success and the exhibition received generous acclaims.

We also follow through with our regular gatherings and activities throughout the year. The traffic on our website faced a definite increase and there had been improvement of communication with our members, of which I think bears the most significance.

Some sage mentioned in the past, “Build a better castle and people will come.” We should attempt to build a stronger alumni association and put forth a stronger attraction for our members.

A tremendous round of applause for our Directors and Executive Committee should be in place and I like to extend my gratitude to everybody.

We will be looking forward for more good things to happen.

*David*

## Cradle of New Chinese Ink Painting Movement Exhibits

Through donations to Mr Tam’s Cradle book (Cradle Exhibit [website](#)), a sum of \$3,715 was raised and donated to Fr. Kelly Educational Fund of Wah Yan College, Kowloon. President David sums up the whole event -

We finally saw through the conclusion of the Cradle Exhibition. The paintings were wrapped up, packaged, and shipped back to Hong Kong. We faced this sense of emptiness as if our lives were closing another chapter.

It had been hard and lengthy work to get the exhibition organised and we managed to attain our goal through the assistance and advice from members of WYKAAO.

*Opening ceremony at Chinese Cultural Centre*

It was a success and the exhibition received a genuinely positive review. The result from the exhibition was more than surprising. The exhibition got mentioned in the Ontario legislature and from here on the exhibition will enter history. It was equally worth celebrating when University of Toronto library requested the exhibition to continue its showing at the library for an extra two weeks.

The exhibition was only the physical part of a concept in the making. In essence, the real meaning of the exhibition was its effort in education. This method of education allowed the students to absorb knowledge in a free style manner. It offered the students room to explore, room to exercise their skills and most importantly they were allowed to learn at their own pace while exercising their ingenuity and creativity. The painting exhibition is only a tool to introduce this concept of education.

Through the preparation of this painting exhibition, we learnt more about unity and togetherness, tolerance and harmony. It is encouraging. I need to offer my gratitude to both our teachers, Sir Anthony Ho and Sir Laurence Tam, for their continuous guidance.

Finally, I also made an excellent discovery about the true meaning of “Wah Yan Spirit.” It is “Truth through Chaos.” But then my friends, that is another story.

## Philip Lee, Lieutenant Governor of Manitoba

On 4<sup>th</sup> August 2009 His Excellency Philip Lee 李紹麟 (WYK 1960) took office as Manitoba's 24<sup>th</sup> Lieutenant Governor. Philip graduated from Wah Yan College, Kowloon and immigrated to Canada in early 1960s where he continued his education and then worked as the city's chief chemist.

The announcement of his appointment came as he was attending the class of 1960 mini-reunion with his WYK buddies, a group called “Cheetahs and Friends,” in Toronto from 17<sup>th</sup> to 20<sup>th</sup> June. Click for [photos](#) and [article](#).

“For decades, Mr. Lee has played an integral role in Winnipeg’s cultural community and has been widely recognized for his efforts in promoting a positive cultural awareness among Canadians of all ethnic and cultural backgrounds. As such, he is well prepared to assume this prominent role as the Queen’s representative in our province and will bring an exciting dynamic to this office.” - Statement by then Manitoba Premier, Gary Doer.

## NCI Winery Tour

Building on last year’s successful winery tour, WYKAAO presented an encore trip; this time to the renowned Niagara Culinary Institute on 27<sup>th</sup> June. Tour of their wine making facility and wine tasting in the morning were followed by a delicious lunch in a leisurely pace that lasted until the mid afternoon. ## Class of 1957 Reunion & Networking Dinner

Over forty people attended the Class '57 Reunion/WYKAAO Networking dinner on 18<sup>th</sup> July. Dr. Desmond Wong from Hawaii gave a presentation on cancers with some professional and enlightening viewpoints on the topic. The audience has already requested him back next year for a follow-up talk.

Mr. Anthony Ho gave an update on the latest development of the education system in Hong Kong, leading to the Fr. Kelly Educational Fund and the latest exhibitions of the Cradle of New Chinese Ink Painting Movement in Toronto. Classmates of '57 and other WYKAAO members mingled and chatted while enjoying a delicious dinner in a warmest atmosphere. Click [here](#) for photos.

**Terry Fox Run**

September 13<sup>th</sup> - It was a perfect day for Terry Fox Run, Marathon of Hope to find a cure for cancer. WYKAAO once again participated in the event at the Markham/Unionville site. Click [here](#) to see the pictures. John Ho ('65), who took part in the First Run in the 80s, was part of our team; he and his wife were visiting from Hong Kong. Jeff's brother and his family were visiting from Vancouver; they joined our great WYKAAO team as well. We collectively raised over \$4,600 so far this year. A big THANK YOU for your generous support!

**Visitors From Afar**

Wahyanites visiting us in the summer from Hong Kong were our former Director Eddie Lau (2002), Simon Mak and James Wan, both of 1967. To celebrate his birthday while vacationing in Toronto, James threw a dinner banquet (click for [photos](#)) for his relatives and school friends. A surprise guest at his party was the former WYK football star So Wai-lum (1966) alias 細蘇 visiting from Hong Kong. Also visiting were members of the class of 1965, Francis Choi, Francis Ho and John Ho (click for photo albums [1](#), [2](#)).

## Dinner for Fr. Stephen Chow

On 24<sup>th</sup> July, alumni of both Wah Yans jointly hosted a welcome dinner for Fr. Stephen Chow, S.J. Over 50 people from both Ontario chapters attended the event. Fr. Chow, Supervisor of both Wah Yans, brought the group a lot of updates on our respective schools. He also discussed some of the issues both schools are facing under the current social situations and education system in Hong Kong.

The document of the “Profile of the Jesuit Student at Graduation for the Chinese Province,” which Fr. Chow presented during the dinner, can be downloaded [here](#).

## Milestones

### Father Thomas O'Neill, S.J. (1924~2009) R.I.P.

Father O'Neil taught at WYK from 1957 to 1961. Father Gerald Tseng writes from Singapore, “...(Father O'Neill) passed away on Friday the 30<sup>th</sup> (August). He was not feeling well on that day and he died in his bed after teatime.”

His former students share their fond memories of him. Please click [here](#) to read. Visit <http://wyk62.mysinablog.com/> for the biography of Father O'Neill by Paul Lee and photos in memory of Father O'Neill.

### Louis Lau, R.I.P.

Louis of Class '57 left us on 31<sup>st</sup> August 2009 after putting up a strong fight against cancer. His family was there by his side. Trained as a chemist, Louis turned into a successful farmer.

An ardent supporter of WYKAAO, he could be seen in many of our functions over the years and was featured as the keynote speaker in many occasions. We remember his forever-friendly personality, his cheerful presence at our functions and his hospitality in offering his farmstead for our annual picnics.

A prolific writer, he was a regular contributor to our newsletter. A collection of his articles is now available for viewing on our website's “[Feature](#)” section.

### Mrs. Annie Ko (高李端容女士) (1911~2009) R.I.P.

Mrs. Ko who was fondly referred to as the “Fat Madam” by her pupils passed away on 22<sup>nd</sup> June 2009 in Hong Kong. She taught at Wah Yan Kowloon from 1945 to 1975 and will certainly be missed by all her former students. “高太貴從容,” remarked one of them. Here is the [letter of condolence](#) from His Excellency Philip Lee.
