

Niagara Falls & Winery Tour

Day Trip

Introduction

The Niagara Falls are the most powerful waterfalls in North America. These voluminous waterfalls are situated on the Niagara River, which drains Lake Erie into Lake Ontario and forms the international border between the Canadian province of Ontario and the U.S. state of New York and forms the southern end of the Niagara Gorge. The falls are 17 miles (27 km) north-northwest of Buffalo, New York and 75 miles (121 km) south-southeast of Toronto, between the twin cities of Niagara Falls, Ontario, and Niagara Falls, New York.

Niagara Falls are composed of two major sections, separated by Goat Island: the Horseshoe Falls on the Canadian side and the American Falls on the American side. The smaller Bridal Veil Falls are also located on the American side, separated from the main falls by Luna Island.

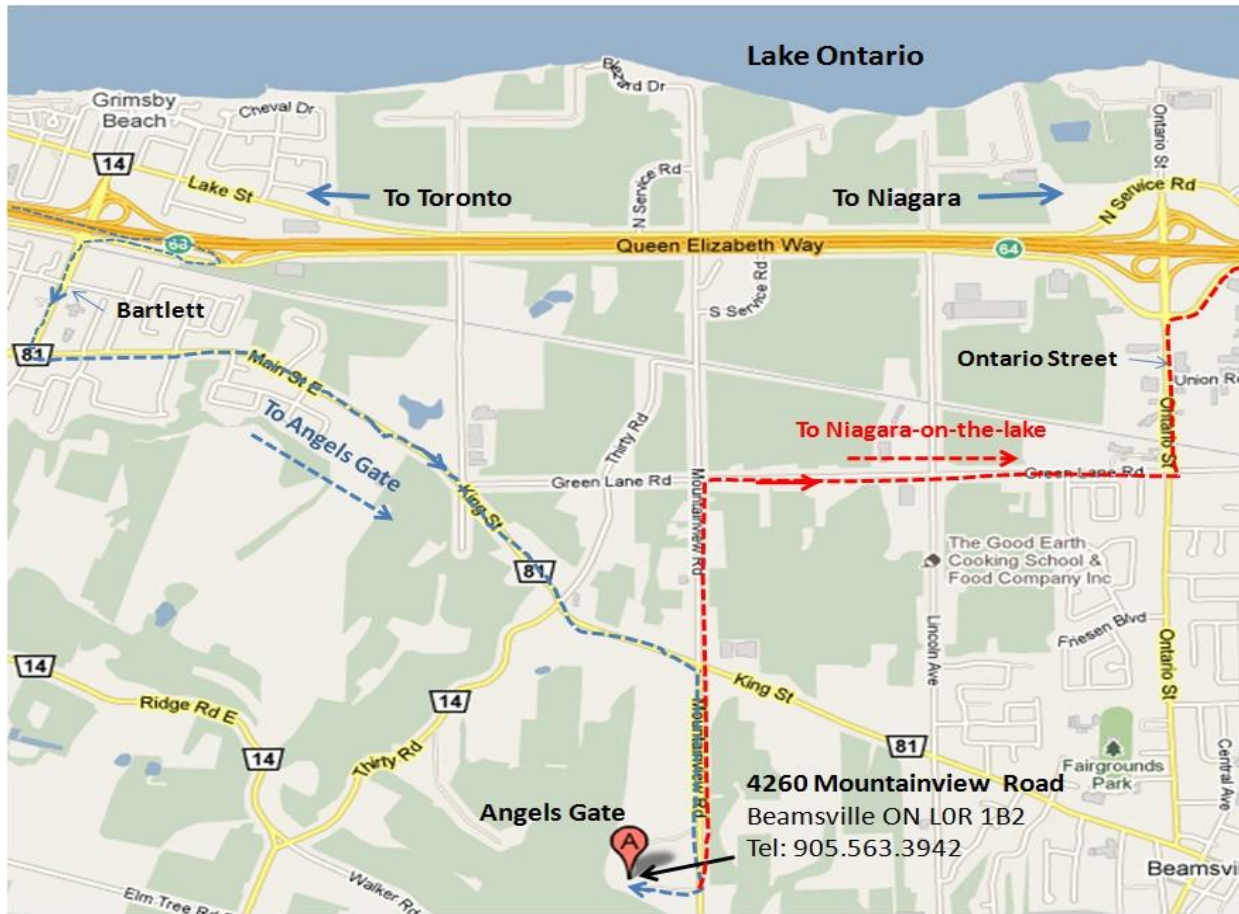

The Niagara region is home to some of the most renowned ice-wine wineries in the world. The Niagara Region is comprised of beautiful, historic and quaint towns and cities, namely Grimsby, Beamsville, Vineland, Jordan, St Catharine's, Niagara-on-the-lake and Niagara Falls. These areas are known throughout the US and Europe to possess some of the most distinguished vineyards, wineries and wine tours.

There are numerous vineyards and wineries in Niagara Region that offer remarkable dining experiences at their onsite restaurants. Featuring world class chefs and staff who help redefine the simple phrase "Food and Wine", along with offering exceptional cuisine, they are able to pair each dish with a perfect wine counterpart; making a memorable food and wine pairing any palette is sure to remember. For the trip we pick Angel's Gate winery for tour, wine tasting and lunch.

[Angel's Gate Winery](#) was founded by a group of wine loving friends on a property that was once owned by the Congregation of Missionary Sisters of Christian Charity in Ontario. In 1995, the land was converted into a vineyard. Construction of the "mission style" building began in June of 2001...
